Celebrating our 35th year!

June 2026

The Mission of SIR is to enrich the Lives of Our Members Through Fun Activities and Events - While Making Friends For Life

Our Members come from from Discovery Bay, Brentwood & surrounding Communities

## Steve Bordi, Big Sir

As we prepare for our upcoming June 2nd SIR Branch 161 Luncheon Meeting, I am mindful of the recent wonderful weather that we're experiencing. A perfect match for all of our SIR outdoor activities such as golf, bowling, pickle ball, and bicycling.

The good weather also aids our popular co-ed events, including winetasting and Dinners with the Ladies. There is something for everyone to enjoy in SIR. So, summer is approaching, let's get moving!

Also, I want to remind all our members to get ready to hand out those SIR invitation cards inviting a friend or guest to a future luncheon (for half price \$17.50). Hopefully this will infuse some 'new blood' into our Branch. As I previously noted, SIR offers a lot of "fellowship" for as little as \$30 per year in dues. Good fun in all your SIR activities, and the BEC (Branch Executive Committee) thanks you for your efforts, support, and participation on behalf of our Organization.

Looking forward to seeing you on 6/2/26 at the beautiful Club Los Meganos, Trilogy At The Vineyards.

Big Sir, Steve Bordi.

## Little Sir, Dave Ciruli

Last month we had our Mother's Day Luncheon. Sorry about the late notice that salmon was added to our menu; I heard that it was very good. The Delta Rhythm-Aires were very good, and I hope we can get them back for another event.

This month we are back to our buffet with 2 proteins, salad, veggies and dessert. Hopefully we can let you know what our choices will be.

This month our speaker will be Bryon Gutow, President of the Discovery Bay Community Service District. He will be giving a short talk and is looking forward to your questions.

We will try to get back to our committee reports at this meeting. Hope to see you at the luncheon.

### June Birthdays:

Ed Coats, Philip Goodspeed, Tony Mannino, Phil Newlin, Anthony Petralia, Todd Ramsdell, Bob Rix, Walter Shipilov, Lowell Thomas, Dennis Ward.

Before singing our closing song "God Bless America" at the Mothers Day luncheon, our song leader Mike Sadler gave us a brief history of this great song:

"God Bless America" was originally written in 1918 as a soldier's peace prayer during WW I by Russian immigrant songwriter Irving Berlin. But it was not released and was shelved for twenty years. In 1938 amid rising WW II tensions, Berlin revised the song and it was introduced by singer Kate Smith on November 10, 1938, becoming an immediate patriotic sensation and the song we know today.

## SIR Cyclers, Jerry Wiebe (916) 206-9221

A group of SIR cycling enthusiasts meets weekly to ride in local communities, promoting the physical and mental benefits of regular exercise.

They hold three rides a week, typically on Monday, Wednesday, and Friday, and welcome riders of all levels, offering support for those looking to rebuild their skills and fitness. Beginners are encouraged to start small and gradually increase their mileage. Participants are advised to consult their doctor before starting.

### **Membership, Luis Figueroa**

The May luncheon was the Ladies Day Mother's Day event and no regular meeting was held.

As we begin the second half of the year I want to continue encouraging each member to become actively engaged in recruiting guests to our luncheons.

Please refer to the Membership section on our branch web site at [www.sir161.org](http://www.sir161.org) to better understand the new member process, and if you have any questions, please feel free to contact me. Prospective members have the option to become inducted at their first luncheon meeting if they have already completely filled out their application and submitted it, or wait until after attending the first luncheon and later submitting the application. In addition when bringing in guests, please notify Phil Newlin or myself in advance of the meeting in order to allow time for the preparation of a guest package. The Branch will continue to give a free bottle of wine to any member who brings in a guest to our luncheons, and a free lunch certificate to the member who sponsors a new member.

The current Branch headcount is 114.

Thank you for your continued recruitment efforts and bringing guests to our luncheons.

### **Branch Membership Marketing, Mike Park**

An update on our marketing plans for new Membership. I'm happy to see some new members or new invitees for our June meeting. We have received our new 7 foot retractable sign and various brochures for distribution. We are focusing the early distribution on 55+ communities like the four Summersets and Trilogy. We will also be focusing on community senior centers like Brentwood. Hopefully table discussions will provide us with even other distribution opportunities given that our members also have relationships that could be meaningful for SIR. Here's a reminder... Please always carry your SIR invitation business cards, and if you know anybody that you would like to be a member, please give them an invitation to our next luncheon meeting. I'm very hopeful that with everybody's help our Membership will grow, and our organization will be even stronger in the future.

## Golf News, Johnny Welton

It was a beautiful warm Spring Day at Manteca Park. Twenty-eight players enjoyed a great golf course that had been nicely manicured following a lot of wind. Tom Denning had the lowest Gross Score at 81. Isao Nishijima had the lowest Gross Score in Flight B with 92. Jim Sniadecki had the lowest Net Score (69) in Flight A and Dennis Pachucki had a 66 for the lowest Net Score in Flight B. Our next event is at Elkhorn Golf Course in Stockton with a 9:00 am shotgun start. We currently have 28 registered and can accommodate anyone that wants to play. Deadline to register is May 31. This is also our competition with SIR Branch 8, Concord. Twenty of those registered from each Branch will compete in a two-player team scramble for the honors for 2026! There also will be prize money for Discovery Bay players. It is expected that Discovery Bay will be decked out in their SIR logo gear ... and look great!

Have a good one!
